Juan:

Mallinckrodt is interested in the settlement. We have a few questions on the process and path forward.

Please consider this email as a confirmation from Mallinckrodt on its intention to be part of the EPA settlement.

Are you free tomorrow around 1230 pm for a call with me? I will be traveling and out the rest of the week. If not, let me know what works for you for a call next Monday.

Thank you.

Bill
